OUKITEL C59 pro grey 4G/Octa-Core/6.88"  
HD+/90Hz/256GB/8GB/13MP/5MP/10000mAh/Android  
15

Šifra: 033411  
Kategorija proizvoda: Smart telefoni  
Proizvođač: OUKITEL

Cena: **21.590,00** rsd.

|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Zadnja kamera          | Duo lens, Rear - 13MP main + 0.1MP depth sensor                                                                                           |
| Prednja kamera         | 5.0 MP                                                                                                                                    |
| Kamera ostalo          | LED blic, HDR, Panorama, Autofocus, Digitalni zoom, Geotagging, Fokus na dodir, Detekcija lica, Self timer, Video snimanje do 1080p/30fps |
| Chipset                | Unisoc T606                                                                                                                               |
| Procesor               | Octa-Core 2x1.6 GHz Cortex-A75 & 6x1.6 GHz Cortex-A55                                                                                     |
| Cores                  | 8                                                                                                                                         |
| GPU                    | Mali-G57 MP1                                                                                                                              |
| Radna memorija         | 8GB LPDDR4X                                                                                                                               |
| Software Extension RAM | do 24GB (8GB + 16GB)                                                                                                                      |
| Interna memorija       | 256GB ROM                                                                                                                                 |
| Eksterna memorija      | MicroSD maksimalno do 1TB                                                                                                                 |
| SIM                    | Dual SIM, Nano-SIM + Nano-SIM / microSD                                                                                                   |
| Baterija               | 10000 mAh / Li-Polymer / Nepromenljiva                                                                                                    |
| Punjenje               | 18W, Reverse charging, USB Type-C                                                                                                         |
|                        | Audio                                                                                                                                     |
|                        | -Loudspeaker                                                                                                                              |
|                        | LineIn Aux 3.5mm (Slušalice, Zvučnik, ...)                                                                                                |
| Povezivanje            | Wi-Fi 802.11 a/b/g/n/ac, dual-band, Wi-Fi Direct, Wi-Fi Hotspot, Wi-Fi Display, Bluetooth, Aux 3.5mm, USB Type-C, NFC                     |
| Bluetooth              | Da, Bluetooth v5.0, A2DP                                                                                                                  |
| GPS                    | Da, sa A-GPS, GLONASS, BeiDou, Galileo                                                                                                    |
| Podržane tehnologije   | SMS, MMS, Email, Mail, IM, WiFi, Bluetooth, FM Radio, NFC, aac, m4a, mp4, amr, awb, mid, midi, mp3, ogg, wav, flac, 3gp, mkv, webm        |
| Senzori                | Proximity Sensor, Accelerometer Sensor, Gyroscope Sensor, Ambient Light Sensor, Compass, Fingerprint sensor                               |
| Ostalo                 | Fingerprint, Face Unlock, OTG, NFC, FM Radio, 120 lm LED lampa, Child mode                                                                |
| Dimenzije              | 171.2 x 77.8 x 13.3 mm                                                                                                                    |
| Težina                 | 293 g                                                                                                                                     |
| Boja                   | Siva                                                                                                                                      |
| Sadržaj pakovanja      | Punjač, USB kabl, Igla za otvaranje SIM slota, Silikonska maska, Korisničko uputstvo, Kutija                                              |
| Uvoznik                | NT Company D.O.O.                                                                                                                         |
| Zemlja porekla         | Kina                                                                                                                                      |
